**Re: *Hexemer v. General Electric Company, et al. No. 12 Civ. 1808 (LEK/CFH)***

Dear Judge Kahn:

This firm represents the Plaintiff Soheila Hexemer in the above-referenced matter. We write regarding Plaintiff's Memorandum of Law in Opposition to Defendants' Motion for Summary Judgment (ECF No. 70), which was electronically filed on Monday, January 12, 2015. The first footnote of that Memorandum, indicating that Plaintiff does not oppose the dismissal of her claims against Defendant General Electric Company, was inadvertently omitted in substantial part. The full footnote reads:

Plaintiff also named General Electric Company ("GE") as a Defendant in the Complaint on the theory that GE qualified as a joint and/or single employer of Plaintiff. Plaintiff, however, does not oppose that aspect of Defendants' Motion that seeks summary judgment on Plaintiff's claims against Defendant GE.

Accordingly, because of the substantive nature of the change, Plaintiff respectfully requests leave to substitute Plaintiff's Corrected Memorandum of Law in Opposition to Defendants' Motion for Summary Judgment, a copy of which is attached hereto. This is the only change made to the Memorandum filed on Monday.

Plaintiff thanks the Court for its attention to this matter. Please do not hesitate to contact us should Your Honor require any further information.

Respectfully,

Robert Ottinger/gv

\*\*\*Request to substitute is GRANTED.

IT IS SO ORDERED:
